IN MEMORIAM

In loving remembrance of our dear husband and father, Joseph Ray Lane, who passed away three years ago, Sept. 14, 1953.

Time may heal the broken hearted,
Years may make the wound less sore;
But it cannot fill the longing,
For the loved one gone before.

Who shall say the grief is lessened,
Though the smile may hide the tears;
Memories keep the wound still open,
Despite the passing of the years.

—Sadly missed by
Wife and Family.

FERKO BAND TO PLAY AT TOBACCO FESTIVAL

Ferko's Wonder Bread String Band will have a "Birds of Paradise" theme when it comes to Richmond for the seventh consecutive year to play and parade in the Eighth Annual Tobacco Festival, October 10-13.

The glamorous costumes worn by this famous band this year will top all of the outstanding ones they have worn in the past six years. The plumed shoulder pieces are six feet in width which will require a marching space of from seven to eight feet for each man in the band.

The costumes are made of brocaded satin in eight pastel shades, trimmed with four-inch sections of vari-colored sequins. Cape and head piece shaped like a bird will include head feathers, wings and tail of the bird. Each costume is trimmed with sixty-five plumes, the ends of which are dipped in a contrasting color. Among the many song arrangements to be played by the band will be appropriate bird songs such as "The Blue Bird of Happiness," "Bye, Bye Blackbird," and "When the Red, Red Robin Comes Bob, Bob-Bobbin' Along."

Since being organized in 1922 Ferko's famous band has won twelve championships and has appeared in all sections of the East. It has marched in the Philadelphia Annual New Year's Day Mummer's parade thirty-four times.

The Tobacco Festival schedule for the Ferko Band will include the annual concert at the Capital Plaza at noon on Friday, Oct. 12, the illuminated parade on Friday evening which starts on East Broad and Eighth Streets at 5:45 P. M., and continues to the Richmond City Stadium where it can be viewed by the fans attending the football game between the University of Richmond and The Citadel, a street parade on Broad Street on Saturday morning, and participation in the pregame and halftime shows for the Saturday afternoon Tobacco Bowl football game between the Universities of Virginia and South Carolina.

OF INTEREST TO VETERANS

A. C. Clement, Area Director of the Veterans Administration, 1111 Church St., Lynchburg, has issued the following statement of interest to veterans:

"Inquiries are already coming in to this office from the dependents of men in active service about the new medical care bill which was passed by the last Congress. The bill, part of a program to make military careers more attractive, enables the Department of Defense to guarantee a serviceman that his dependents will get medical care no matter where they are located. The bill provides for care at civlian hospitals where service hospitals are not available.

"There is a great deal of detail work to be done by the Department of Defense before the program can be put into operation, such as deciding on the type of insurance or service plan to be used for civilian care and setting up the facilities for handling the program. Uniform minimum charges to the serviceman will have to be established and the patient will probably be required to pay the first $25 of hospital expense for each admission.

"I want to emphasize that the law does not become effective until 6 months after the date of its enactment on June 7, 1956. Thus, by the first week of this coming December officials believe that each of the armed services will have issued its regulations and will be prepared to render needed dental and medical attention to the wives, children and dependent parents of active servicemen."

"THE COMMON GLORY" — ENDS 10TH SEASON

Williamsburg, Va.- "The Common Glory," the noted symphonic drama of the Revolutionary War, closed its 10th summer-long season September 2 at Matoaka Lake Amphitheatre here.

According to officials of the Jamestown Corporation, sponsor of the outdoor production, the first eight weeks of the 1956 season, which started June 23, were among the most successful in the history of the drama. "The Common Glory," written by Pulitzer prize-winner Paul Green, has been performed nearly 550 times on the stage of the Williamsburg amphitheatre over the decade-long run.

NEWS FOR VETERANS

Young men and women planning to attend school this fall under the new War Orphans Education Law were urged today by the Veterans Administration to file their applications as soon as possible, to avoid unnecessary delays in receiving their first monthly allowance check.

Application forms are available at all VA offices.

Persons eligible for schooling are those whose veteran-parent died of injuries or diseases resulting from military service during World War II, World War II or the Korean Conflict. Students generally must be between 18 and 23 years old.

Prompt action is needed, VA explained, because normally it will take about three months from the date of application to the date the initial allowance check is placed in the mail. So in the case of young men and women who apply now, the earliest that VA could mail out checks would be mid-November.

When the first checks do arrive, however, they will cover the entire period during which the students were in school after October 1—the beginning date on which the law authorizes payments to be made. Thereafter, checks will be mailed regularly to cover each month the student is in school. The money usually will be sent to the student's parent or guardian, rather than to the student himself.

After the application is filed, VA must check its records to make certain that the young man or woman meets basic eligibility requirements for schooling. If so, VA will issue a "provisional approval."

Surpluses in cotton are seen sending.

People are looking forward with pleasure to the home - coming at New Hope Baptist Church on the 5th Sunday. We hope all of the members and former pastors that can come may be present.

Some farmers will be glad when the hunting season comes, as there are so many deer and they are destroying gardens and crops.
